NOTICE
VIOLATION OF UNITED NATIONS CONVENTIONS ON TERRORISM AND HUMAN RIGHTS BY AUSTRALIAN GOVERNMENT FEDERAL MEMBERS, MINISTERS, SENATORS, FEDERAL DEPARTMENTS, THEIR EMPLOYEES AND AGENTS

I am The Sovereign Sultan Qemars Shah Qajar, Sovereign King of Iran, Head of Monarchy, illegally detained in Australia, subject to enforcement of Queensland Magistrates Court No: MAG-00257133/17(8) decision and direction dated 5 July 2018.

The coronation as The Sovereign of Iran (shahanshah) and the Head of Monarchy took place in 1975, in Tehran, Iran.

I am the grandson of the late His Imperial Majesty Sultan Ahmad Shah Qajar4 King of Iran, and the grandson of the late Prime Minister Dr. Mohammad Mosaddegh4 Head of the Government of Iran, whose nationalization of the Oil of Iran5, the Oil industry and the Oil reserves effectively stabilized the Middle-East, and won the 22 July 1952 International Court of Justice (ICJ) ruling against UK and her corporation, at The Hague.

17 August 1953 as a result of this International Court ruling, Mr. Mohammad Reza Pahlavi6 deserted Iran, fled to Baghdad, Iraq, and thus, utterly relinquished any title and any recognition in Iran. In August 1953, Queen Elizabeth the Second illegally directed the annihilation of my grandfather Dr. Mosaddegh, and organized CIA’s illegal coup d’état of August 1953 to install their puppet Mohammad Reza Pahlavi.

The British Government and CIA financed their puppet Mr. Mohammad Reza Pahlavi as their nominee in Iran to proceed on 19 August 1953 with an illegal coup against the Prime Minister Dr. Mosaddegh. Prime Minister Dr. Mosaddegh was illegally imprisoned, then placed under house-arrest in Ahmadabad, north of Tehran, Iran. Following this barbaric act against my grandfather, in March 1957, Dr. Mosaddegh while still waiting to receive a copy of the ICJ’s transcript of the judgment about Iran regarding the International Jurisdiction and nationalization of Iran’s Oil, was killed.

Dr. Mosaddegh’s death caused instability in the Middle-East, including the Oil reserves and contracts of Iraq and Syria’s oil fields, Egypt’s economy, and consequently the 5-10 June 1967 Arab-Israeli Six-Day War, and so on. Afterwards, his daughter the Lady Khadijeh (my mother) was permitted to return to Iran in early 1968. I was born 1 January 1969 in Tehran, Iran.

In 1975 after the proclamation of the Royal Will and the Deed of my Coronation, my mother attempted to receive a copy of the ICJ’s judgment for her deceased father’s memorial and in line of inheritance to give to me for the people of Iran when I reached the age of majority. She was then detained for exposing about the aforesaid judgment while I was a child and banished in 1975, I have never seen my mother again.

In 1979 Russia backed Mr. Ayatollah Musavi Khomeini and accomplices, in creating the Islamic Republic of Iran, by unconstitutional referendum deposits the puppet of UK and USA to allow Russia control of Iran’s oil and wealth.

2. 20 January 1975, by Official Royal Will of Iran and absolute Deed of Coronation, The Sovereign Sultan Qemars Shah Qajar, declared Head of Monarchy, Sovereign King of Iran, at Sepahsalar Mosque in Tehran, Iran.
3. During 1921/1923 British Government appointed their agent Mr. Reza (Mir pany) in Iran. In 1923 His Imperial Majesty Sultan Ahmad Shah Qajar King of Iran went to visit Europe to petition for the return of Oil rich Iranian lands given to Ottoman Empire by Great Britain and its allies. Mr. Reza Mir pany changed his name to Reza Pahlavi, and created the unconstitutional Pahlavi house. Mr. Reza then by his British masters made illegitimate coup, closed Iran’s borders to prevent His Imperial Majesty Ahmad Shah returning to Iran. The King of Iran died 21 February 1930 at Neuilly-sur-Seine, Paris, France.
4. 24 April 1951 Dr. Mohammad Mosaddegh of Qajar dynasty become Prime Minister and Head of the Government of Iran.
5. 22 July 1952 International Court of Justice (ICJ) ruling against UK and against her corporation in relation to Iran, at The Hague, that they (UK and her corporation) have had no jurisdiction to deal with.
6. In 1953 Iranian Revolution led by Dr. Mosaddegh, overthrow Britain’s puppet Mohammad Reza Pahlavi.
In 1987 at 17 years of age, pursuing information about my mother’s location, I visited Turkey. During this time, on 26 December 1987, I was advised to meet an informant at the Edirne hotel, in the city of Edirne in Turkey. While waiting, I had a cup of tea and then lost consciousness. When I regained consciousness I found that I had been kidnapped, was handcuffed and travelling in a vehicle with persons that were armed and dressed in military clothing. When the vehicle stopped I was taken from the vehicle, handcuffed, my jacket containing my passport and identification documents removed, I was then taken downstairs, and locked in underground cell. I have no idea where I was imprisoned and did not see the outside world for about two years.

In 1989 I tried to escape and was shot in the right thigh, I bled profusely and passed out. I was illegally transported to Australia on what I recall to be a military aircraft, without my consent, semiconscious and against my Will. I have never had any contact, written or verbal, with any person whatsoever regarding a visa or any kind of travel documentation and was not in possession of Australia Visa or any passport whatsoever. I don’t know from which country I was relocated from to Australia. I have never received or ever been provided with police certificate of clearance prior to my transportation to Australia or in Australia. I do not have Australia Visa and I have never applied for one. I have been subject to assassination attempts, deprivation of income and thus medical treatments, and further criminal conduct by Australian Government’s servants, agents, officers, ministers, politicians, presiding members of Federal Court and High Court judiciary, criminal defamation by various media including Rupert Murdoch’s newspaper the Daily Telegraph.

ATTACHED is a certified true copy of the original photograph taken in Cairo on 27 December 1989 of Royal Australian Air Force (RAAF) aircraft, given to me as being the military aircraft that transported me to Cairo, north Queensland, Australia; and certified true copies of the original photographs taken in Townsville on 6 December 1989 of RAN.

On 31 March 2015 a Public Demand Notice with attached certified documents including certified copy of original affidavit dated 30 November 1999 containing details concerning Princess Diana Spencer and references to myself, was hand delivered to Parliament House in Canberra for distribution to all members, and a copy of the same was signed for, by Gai Brotmann MP member for Canberra, Australian Capital Territory. All recipients ignored this Public Demand Notice. 6 January 2017, Mr. Ayatollah Rafaqani, in Persian language, addressing the Iranian officials in Tehran, acknowledged involvement in my abduction, and he died the next day in suspicious circumstances.

On 26 July 2017 a formal Notice was given by an Iranian official to Australian Government. Extract from the Notice: “the Sovereign Sultan Qemars Shah Qajar of Iran was brought and kept as captive in Australia, ... then definitely there wouldn’t be conflicts and wars in Middle East, the Syrian war wouldn’t happen, which millions of people killed or become homeless, or as consequence of the war forced to seek refugee status.”

Since my illegal detainment in Australia, I have been subject to attempts on my life, being shot, and recently suffered a stroke, to this day I have been deprived of freedom and availability of adequate health care. Australian Government and their representatives, Australian Government Solicitors, Federal Ministers and Senators, Federal Court of Australia and its judges, the Full Court of Federal Court of Australia and its Judges, High Court of Australia and its judges by absolute criminal intent, by their de facto conduct, shamelessly and illegally, have made false statements and false judgments to scam Australian Public and to deceive Australian people. I was not an applicant, defendant, or a party to Federal Court proceedings VID88 of 2011 or to any proceedings whatsoever. About 20 June 2012 I was served with a sealed subpoena issued by the Federal Court in my Sovereign Imperial Title to attend the Federal Court hearing in Melbourne in the matter of FARD v MIAC of VID88/2011. Therefore subject to the sealed subpoena by the Federal Court of Australia, I attended the court and under oath, during questioning, I stated in the Court: “I was taken to the military aeroplane. I was taken by military aeroplane, you see those patches of the military army – the next I was at the base hospital in Australia.”, but the judge of that Federal Court by the name Peter Grey with the criminal intent aided by Rowena Orr QC, made false judgment to cover the fraud and illegal acts committed under the then Department of Immigration and Border Protection. The false and misleading judgment was published, while I was not a party to the proceedings. I say, the judges of the Federal Court of Australia, solicitors of Australian Government Solicitor including Rowena Orr QC must be charged for their criminal conduct and acts supporting terrorism.

I have made repeated requests to Australian Government, and it is my absolute Will that I receive valid documentation, return of my properties, assets and my belongings and to be returned to where I was originally transported from to Australia, so that I can file documentation in the International Court of Justice (ICJ) at The Hague.

The Australian Government using its servants, agents, ministers and senators, by criminal intent and by criminal acts, have breached all its international obligations against terrorism and crimes against humanity.

On 30 July 2018 by registered post my Attention-Notice was sent to various Federal Government Departments, to Government House, to both Houses of Australian Parliament, and various individual Members and Ministers of Parliament and the Senate. By totally ignoring my Attention-Notice, all the listed recipients have compounded their crimes by not demanding that the appropriate authority interview me as required by international law, thus committing further international acts of terrorism.
