Translation of the Affidavit of Ms. Roofta Solouki dated 30/11/1999 into English

"Ya Allahol Mostaghás"

My lord (God), I'm in the end of degree of desperation, Help Me

Affidavit

I Roofta Solouki, 69 years old, born in Iran, nationality Australian, and I am a Baha'i. 18/3/99 I came to Africa to propagate Baha'i Faith and to assist the needy people. I am a temporary resident of Zimbabwe and my address is, 20 Miller Road, Morningside, Mutare. Today, 30/11/99 I travelled from Zimbabwe to Mozambique to attend the Baha'i assembly's meeting. As a member of National Spiritual Assembly of the Baha'is, at 7:30 AM, I entered the Mozambique National Assembly's building. It was early, and still was time for the assembly's meeting, and I went into a room. By chance, I heard few people talking in the next room. I was clearly hearing their conversations and I recognise the voice of Mr. Ezatollah Paymani and his ex-wife Ms. Farideh Paymani, and my husband Farhad Nooranbakht. I think there were three other individuals in this meeting and speaking in English with English accent, but their voice unknown to me, and Ms. Farideh Paymani interpreting for them some of the sentences. I heard, Mr. Ezatollah Paymani made the following testimony and stated, We need the assistance of the Queen and the British government to attack and to invade Iran. At this time, I write their exact conversation. Mr. Ezatollah Paymani, testified: Two years ago Diana wanted to go to London to announce the captivity of the king¹. The British government sought our assistance. We've compiled. With the help of Tony Blair and the British government, by giving a pill to that stupid Henri in Hotel Ritz, we annihilated Diana and her boyfriend in Paris. And now, for my revelation, the King¹ grandson of Mossadeg must be annihilated in Australia. We must accomplish this mission. My husband said, we must do it, several attempts were made but unsuccessful. While among these conversations the sentences being interpreted, the English spoken individuals have discussions and debates in English language with each others. As far as I can hear them and to the best of my ability, I write² their statements: Shabak need more time. Ami Ayalon can't wait. 1997 IMF failed to provide required exchange deal and in 89 exchanged him from Russia, Gordon should of obey Queen's order and kill him in Sofia. Gordon did shoot him he was sure he was dead. M16 transported him to Australia. In 97 after Diana's death in Paris he should been killed in Australia. Saddam wants him alive to humiliate IMF and the World Bank. In that case IMF would sink Iraq's reserve and will be invaded. How you want to keep things quite. Our governments control the people, the media, and the courts. As to their remarks and assertions, Ms. Farideh Paymani stated, by killing Ms. Bea which come to know a lot of information, we were able to stop her report to international police (INTERPOL). As to their discussions, I find, Mr. Ezatollah Paymani shot and killed his wife Bea with three bullets. If they find out I have heard their conversations, beyond doubt they will kill me. As to their discussions, I believe, the National Spiritual Assembly and the House of Justice (in Israel) knows about these criminal activity and they are aware that these individuals, under Baha'i Faith, formed a terrorist organization, but they don't stop them, nor they make any reaction to these individuals terrorist organization. I never involved in politics, and I don't know what the politics is. I can't understand these code words, Shabak, IMF, M16 and alike, and I don't understand their assertions. What hurts me is, how my husband involved with these individuals' criminal activity. I believe, if I say anything about these individuals it would harm the Baha'i Faith, and I will be killed. It is apparent, if I make a complaint I would be killed like Bea. I am scared and I do not know what to do, and as to what I've heard, I think many individuals are the member of this terrorist organization. However, I would assign them to Bahá'u'lláh. If I make this affidavit in English language, I wouldn't be let to leave this country alive, nor I can enter Australia alive. If I be killed and someone find this affidavit, this is my Will, that this affidavit would not be given to the members of the spiritual assembly or to the House of Justice (in Israel), which they are cooperating with these individuals terrorist organization, only be given to the international police.

Translation of a Declaration dated 16/6/1999 into English

On this date 16/6/99 I attended to receive my goods, with my identity card No: 02048 issued 28/4/99 in Mozambique, which my goods were sent from Australia to propagate Baha'i Faith and to assist the needy people. On this date 16/6/99 Ms. Farideh showed me a letter from David Kelly from London to Mr. Paymani for registering a ship carrying guns and ammunitions sent from USA to Africa for attacking Iran, and asked me, the shipment No: 64348 be cleared in my name. I protested against such request and I stated I would not do such thing. If this assertion was a joke to scare me, I say it is an ugly joke, and of course I am terrified, but I never joked with anyone. This declaration present that I am only receiving my goods. I came to Mozambique to propagate for Baha'i Faith, and therefore I will leave Mozambique and I am going to Zimbabwe.

To: All Bahá’í Communities

Dear Friends,

Dr David Kelly

Dr David Kelly is the UK Ministry of Defence official who is widely reported to have committed suicide several days ago. It has been confirmed that he was a Bahá’í.

You may find the following points helpful when answering questions from family and friends about this case:

- Dr. David Kelly was a member of the Bahá’í Faith.
- We express our sympathy to the family and loved ones of Dr. David Kelly and pray for the progress of his soul.
- People suffering hardship and distress, including those who have lost their loved ones, deserve our compassion.
- We pray for those who have passed away; Bahá’ís believe that the soul progresses throughout eternity, and that questions of forgiveness and judgment are left to God alone.
- Suicide is tragic because it cuts life short. The Bahá’í teachings call for people to live their lives fully to their natural end.
- We take no side in political controversies of the day; Bahá’ís seek to build unity and, therefore, they avoid partisanship. Bahá’ís are vitally engaged in promoting the spiritual and material progress of humanity.
- The Bahá’í Faith is an independent, monotheistic, worldwide religion with more than five million adherents who live in nearly 200 countries and independent territories.

Naturally we cannot comment on the facts of this particular case and we ask that you avoid speculation about the circumstances surrounding his death and events leading to it. The Office encourages all Bahá’ís to adhere to the principle of non-involvement in politics discussed in the letter from the National Spiritual Assembly dated 1st July 2003. An electronic version of the letter accompanies this, to assist Assemblies in circulating the letter to all the Friends and organising study of it.

The Australian media have reported the Bahá’í connection with the Australian, Mercury and the Age newspapers publishing articles referring to the Faith. If you see or hear any other reference to the Faith in the media we would like you to immediately contact the following people in your state who will then follow it up if it is appropriate to do so. The friends are asked not to talk to the media, including talk-back radio programs, about this issue.

Farideh and I saw FARHAD NOURANBAKHT and ROOFIA SOLUKI on many occasions during that time.

4. On one visit, FARHAD NOURANBAKHT and ROOFIA SOLUKI showed up at our residence in Zimbabwe and requested that we drive with them to Johannesburg to buy solid gold kilogram (2.2 pound) bricks. They both said they would feel more secure with us being present when they bought and transported all this gold. We were with them at the gold dealer’s office when they purchased 4 solid gold kilogram (2.2 pound) bricks. During this trip they told us that they had previously purchased another 4 solid gold kilogram (2.2 pound) bricks, and a large number of solid gold coins.

5. The last time I saw ROOFIA SOLUKI was sometime in November or early December, 1999, when ROOFIA SOLUKI arrived by herself at our residence suddenly and without notice. ROOFIA SOLUKI pleaded with us that she stay overnight with us, and further that we drive her to the airport, where she said that she was going to fly back to Australia. To the best of my recollection, we arranged for a cab to take her to the airport.

6. During that last time stated in the above paragraph, ROOFIA SOLUKI showed my wife Farideh and me some of the solid gold kilogram (2.2 pound) bricks she had in her possession, and which she said she was taking all of them with her to Australia. I cannot recall how many I saw.

Be advised: Parliament House must provide this Public Demand to every Member of the House of Representatives and must give answers.

To respective Journalists Newspapers and Media

On 31 August 1997, Diana, Princess of Wales was injured and died in a car crash in the Pont de l'Alma road tunnel in Paris, France, which also caused the deaths of her boyfriend Dodi Fayed and the driver of the Mercedes-Benz W140, Henri Paul acting security manager of the Hotel Ritz Paris; the bodyguard of Diana and Dodi, Trevor Rees-Jones was the only survivor.

Take Notice: Picture of Diana, Princess of Wales, entering the Mercedes-Benz on 31 August 1997, just before she was injured and died in Paris, with the baby photograph of the Sovereign Soltan Qemurs Shah Qajar was discovered and reported by Statutory Deceleration, and recorded with Australian government.

Details and method to cause the car crash for the annihilation of Diana, Princess of Wales in Paris, stated in the Affidavit signed in Mozambique, Africa, on 30 November 1999, and the Affidavit stated “… Diana wanted to go to London to announce the captivity of the king ‘Soltan Qemurs Shah Qajar’. The British government sought our assistance … With the help of Tony Blair and the British government, by giving a pill to that stupid Henri in Hotel Ritz, we annihilated Diana … “… the King grandson of Mossadegh must be annihilated in Australia …”. “… 1987 IMF failed to provide required exchange deal and in 89 exchanged him (Sovereign the King) from Russia, Gordon should of obey Queen’s order and kill him (Sovereign the King) in Sofia. M16 transported him (Sovereign the King) to Australia. In 97 after Diana’s death in Paris he (Sovereign the King) should been killed in Australia. Saddam wants him (Sovereign the King) alive to humiliate IMF and the World Bank. In that case IMF would sink Iraq’s reserve and will be invaded. How you want to keep things quiet. Our governments control the people, the media, and the courts. “…”. Thus the full information of that Affidavit recorded with Australian government. Public demand’s to know that why the information concealed form public?

Sovereign Soltan Qemurs Shah Qajar, King of Iran (DOB 11th Dey 1347 of the Iranian calendar corresponds to the 1st January 1969). His Majesty the King was kidnapped in 1987 and taken to underground prison cells for two years (the actual place of the underground prison cells still unknown), and in December 1989 (the actual date still unknown), with bullet wounds and with severe injuries, without his express consent, without a lawful Australia Visa, was brought unlawfully to Australia, and ever since, His Majesty being kept hostage by Australian government and being deprived of the liberty by Australian government organizations and by hypocrites. His Majesty is the grandson of Soltan Ahmad Shah Qajar and he is the grandson of Dr. Mossadegh Prime Minister of Iran (1951/1953-1967).

Diana, Princess of Wales (Diana Spencer, DOB 1st July 1961 - Death 31 August 1997). Her marriage on 29 July 1981 to Charles, Prince of Wales, who is the eldest child and heir apparent of Queen Elizabeth II, ended in divorce on 28 August 1996.

Dodi Fayed (Emad El-Din Mohamed Abdel Moneim Fayed, DOB 15 April 1955 - Death 31 August 1997) was the son of Egyptian billionaire Mohamed Al-Fayed (Mohamed Abdel Moneim Al-Fayed). He was the boyfriend of Diana, Princess of Wales, with whom he died in Paris.

Public demand’s to know that how Australian government, and the Department of Immigration and Border Protection using/recording Document for travel to Australia 032105 issued to a female name and female person, (printed at the back of this Public Demand page), fabricated and by fraud being used by Australian government and by its agency to keep the Sovereign of Iran as hostage in Australia?

Public demand’s to know that how President Obama knowingly that the Sovereign Soltan Qemurs Shah Qajar King of Iran being kept hostage in Australia, and thus, Obama administration without the Sovereign’s consent, unlawfully negotiating and fostering for nuclear deal, etc. etc.?

Ignorance is not an excuse. Your silence would only aid corruptions as well as the terrorist organizations.

THE DAILY TELEGRAPH

News

The Daily Telegraph has built a proud reputation as a news breaking paper that sets agendas the rest of the state talk about. Our political clout stretches from MacQuarie St to The Hill in Canberra thanks to a team of dedicated journalists who work round the clock. We are dedicated to listening to what our readers feel most passionate about. We don't just publish transport woes, we offer solutions. Our campaigns have changed laws to help make young drivers safer on the roads and to help female victims of crime less intimidated by the legal system. We're plugged into the state of New South Wales, listening to its heartbeat, checking its pulse every day and delivering the number one product.

Dear Daily Telegraph,

Please see enclosed Public Demand. Please provide assistance; receive answers to the questions addressed in the Public Demand.

If you wish to see documents, please contact the victim of crime Mrs Shahin Fard, address: 8 Sachse Place, Vanniassa ACT 2903, telephone: 02 62316171 mobile: 0469955772.

You can also contact Glen Monaghan, (QLD) on 0431881434.

Yours faithfully,
