**Three Official Registration of Country's Official stamps affixed and sealed. From right:
Country's Official stamp of State Civil Status Registration. (Official stamp of Birth Certificate)
Country's Official stamps of National Deeds Registry. (Official stamps for absolute Deed of
Coronation). Sealed and Registered – Tehran 1353 [1975]**

This is the Will of Soltan Fereydoun Mirza Qajar, drawn on 30th of Day 1353 [20/01/1975]; according to Iranian law and authentic monarchic principles, published in Official documents, and notification to the United Nations, complying with the international law, and also according to the law of Commonwealth countries. By the formal and legal notification and publication of this Official document, it is decreed, and by declaring this Official document, no government or nation neither publicly nor personally or individually has the right to retain or conceal this Official document.

At 5 o'clock in the morning of 11th day of Month of Day of year 1347 of Iranian calendar, which corresponds to the first of January 1969, a son was born in Tehran to Her Excellency Molouk of Saltaneh, wife of Soltan Fereydoun Mirza, son of Ahmad Shah Qajar. In order to name this child, there were interpretations of auguries observed in the Holy Qur'an (قرآن), as well as astrological observations. With interpretation of every augury the first word of the chapters of the Holy Qur'an that have descended from heaven, a letter was taken. The letters of his name were taken from these Chapters of the Holy Qur'an:

- First letter (ك) from Chapter of Al-Kahf (سوره الكهف) "The Revelation".
- Second letter (ي) from Chapter of Yosef (St Joseph) (سوره يوسف) "Prophet Joseph, son of Jacob".
- Third letter (و) from Chapter of Alwagheah (سوره الواقعة) "The Inevitable, The Event".
- Fourth letter (م) from Chapter of Maryam (سوره مريم) "Saint Mary Mother of Jesus Christ".
- Fifth letter (ر) from Chapter of Al-Rahman (سوره الرحمن) "Manifestation of God".
- Sixth letter (ث) from Chapter of Maknoon Sād (الجزء الثالث سوره مکنون ص) "The Name of God, the Best Beloved, the Merciful". These are all Chapters of the Holy Qur'an, The mother book for all proclamations, and he was named QEUMARS (سوره القرآن ام البيان كل الحروف كيومرث).
- Letter Q of QEUMARS is the Holy Qur'an (قرآن مجيد). With these trusted letters from the sacred verses of the Holy Qur'an he was Titled Soltan QEUMARS Shah Qajar. (Imperial Title Soltan Shah means Shahanshah, The Emperor), The Emperor QEUMARS.

This child is the divine trust that his existence will be the cause for peace and tranquillity in the world, and extreme effort should be endeavoured for his care. God willing with the Divine bestowals of the Almighty he shall not be held captive by the Evil intellect minds and ruthless demonic individuals. By astrological observations and interpretations of auguries observed in the blessed Chapters of the Holy Qur'an descended from heaven; Hood (هود), Bani Israel (بنی اسرائیل) (the Israelites), Baghareh (بقره) (The Verse of Throne), Yass (يس), Layel (ليل), Maryam (مريم) (St Mary), Issa (عيسى) (Jesus Christ) son of St Mary, and in the Name of Allah (الله), it was commended that if any person at any time in any territory, from any nationality, under the name of any religion or ideology, due to animosity or deceit, and by employing delicate tricks, takes measures or revolts against Soltan QEUMARS Shah Qajar, he will be doomed to divine punishment and may the eternal curse be upon his life and his children.

There are three verses of Holy Qur'an in Arabic in brackets.

The verse of Holy Qur'an in Arabic script: (وان تولوا فانی اخاف علیکم عذاب یوم کبیر)

If you turn your face away from him, I fear grievous agonies for you.

The verses of Holy Qur'an in Arabic script: (الذی کذب و تولی) (ذلک جزا و هم جهنم بما کفرو)

Whoever denies our verses, shall be punished by the fires of hell. It is sworn on the Torah (تورات), the Bible (انجیل) and the Qur'an (قرآن) that whoever strives to help and support Soltan QEUMARS Shah Qajar (The Emperor QEUMARS), the Almighty God will be his companion and protector.

These proclamations were observed and stated by the astrologers based upon their astrological observations, and by the interpretations of auguries observed in the Holy Qur'an. As per the above explanations, the Official Seal in the Official Title of Soltan Qeumars Shah Qajar, both in the Persian and English languages, was designed and made by Engineer Gholam Hossain Kaykhosravy Moghaddam, an Official specialist at the Ministry of Justice of Iran in Tehran. On this Official Seal the first letter of His Imperial Majesty QEUMARS's name is written with the letter (Q) in English due to the fact that the first letter of the greatest name of Holy Qur'an is written with letter (Q) in English.

This Official Seal with the signature of Soltan QEUMARS Shah Qajar (سلطان کیومرث شاه قاجار) represent his formal, legal, and Royal commands both within Iran and outside of Iran. The Emperor QEUMARS holds the absolute authority to appoint and dismiss whoever he wishes so, and issue or cancel any agreement or contract. The Emperor QEUMARS holds legal and Official authority over the agreements in political, economic, national, patriotic, religious matters, and oil treaties, and agreements with the United Nations, both domestic and foreign.

By affixing the Official stamps of Country's State Civil Status Registration and Country's National Deeds Registry, this Will hold a legal decree and except for the witness to the attachment of Official stamps for the registration of this Official document, and the registration of the Official Seal of Shahanshah Soltan QEUMARS Shah Qajar, no person has the right to sign or misappropriate it.
